

HOTWASH

COL Rich Parker, Chief Counsel, NGB
MAJ Chris Rofrano, Assoc Chief Counsel,
NGB

AGENDA

Purpose

Hot wash:

Communications

Personnel

Substantive

Procedural

Questions &
Discussion

Conclusion

Purpose

To capture lessons learned from Katrina and to cross level those lessons among our senior JAs; to best prepare ourselves for the next crisis whether it is a natural disaster or manmade.

Hot Wash Issues

Communications

Capacity:

States – Single POC from the state – the AGR?

NGB – One POC – NGBJOC.

GETS card

E-mail

Website hosted by NGB-JA (work in progress)

Hot Wash Issues

Communications

Capacity (cont):

Mailbox at capacity...

Satellite Telephones

Full exchange of vital information

Rolling Logs

JAG Updates from NGBJOC/NGB-JA

Laptop computers

Hot Wash Issues

Personnel

State is “in charge”

What support we will give you...

Develop LOCs from NGB-JA to AO – AGRs placement is at AGRs discretion – we will deploy per your guidance

Set up JA JOC instate ASAP – test it!

Overestimate what you actually need – you are only one person

Hot Wash Issues

Personnel

Orientation to JOC site

JAs must be coordinated on the ground – someone must do it

NCOs – CWOs. Must have them

Weapons Qual – all shots

Hot Wash Issues

Substantive

RUF – you make it – we need it, NOW – it is *your* states RUF

EMAC - EMACWEB.ORG - to know it is to love it

Know the law – particularly the subject we covered

Duty Status Matrix

LE MOU – preposition agreements with NGB-JA

Allow us to route the substantive information to all AGRs – you are too impt – your capacity will crash

Hot Wash Issues

Procedural

What we will do - we will fall in on you

Set up a JA 3, test it

Pull together the details: weapons, computers and printers, JAG go-bags with what you need, ensure everyone has relevant opinions and law available to them.
